

WALK ACROSS AMERICA

Mission Statement

Our mission is to walk across America raising donations and bringing awareness to disabled American veterans. On this walk we will visit veterans' medical centers and outpatient clinics interviewing disabled veterans, doctors, nurses, family members and the public. The Walk Across America Team goal is for every family to donate one dollar. All donations will go to Disabled American Veterans.

Our team consists of Richard Hunsucker U.S.M.C our vet walking and Jack Dixon, internet support/mission control. On Veterans Day 11Nov09 we will leave the Duvall County War Memorial, Jacksonville, Florida on a 202 day walk across America raising donations for our disabled vets. This walk will take us thru 8 States and end at the Balboa Park War Memorial, San Diego, California Memorial Day 31May10.

You will have the opportunity to follow our progress and make a donation via the internet at www.vetwalking.org. Anytime during the walk feel free to join us and make a pledge.

Walk Across America and our Disabled Veterans look forward to a Successful and safe journey

Respectfully,

Walk Across America Team
